

ZIPPY

mobile Stage truck.com.au

ZIPPY is our 6 x 5m stage trailer, with a truss frame and vinyl roof. It is neat and tall, and perfect for smaller community events or as a support stage at larger events.

It comes complete with smart black skirts, railings & steps.

It can be dry hired (stage only) either with its vinyl roof, or as a platform without a roof.

It is a fully equipped, self-contained stage with a quality sound and lighting system and professional, experienced crew, and can also be hired with small and basic, self-operated PA.

Zippy also has a range of great branding opportunities, including backdrop, side, and skirt banners. **Ask about our banner production service** to capitalise on your exposure, and promote your event & sponsors.

Our standard package includes:

- ✓ State of the art, high tech, hydraulic staging system
- ✓ All essential gear needed for large bands and performance groups, including monitors, a range of vocal and instrument microphones, leads and stands, DI boxes, etc
- ✓ Professional quality Front-of-House PA system and stage lighting equipment
- ✓ Sound technician, lighting technician and stage hand for the duration of the event
- ✓ 3x3m pop-up marquee - for technical control, five cable trays and a 25m 3phase cable
- ✓ Media feeds for TV or radio broadcasts if required
- ✓ \$20m public liability & WHS Compliant, Engineers certificate
